

# MZIYONKE DRIVING SCHOOL

## SPONSORS K2K TOURNAMENTS

23 June 2024

076 215 2341

### A Showcase of Excellence

Throughout the tournament, soccer enthusiasts were treated to exhilarating matches, culminating in a thrilling final match at the Vosloorus Stadium. Mziyonke Driving School took this opportunity to display their fleet of 11 trucks, attracting attention and admiration from fans and attendees. The presence of these trucks on the grounds added a unique and impressive element to the event.

### Engaging with the Community

Mziyonke Driving School set up an information table staffed by four friendly and knowledgeable sales representatives. These representatives were dedicated to engaging with fans, providing detailed information about Mziyonke's driving courses, and promoting a special offer running until 8 August. The interaction with the community was overwhelmingly positive, with many fans expressing interest in the driving school's programs.

### Unforgettable Experiences and Generous Giveaways

In a bid to create unforgettable experiences, Mziyonke offered fans free test drives on Code 10 and Code 14 trucks. This hands-on experience was to allow participants to get a feel for driving larger vehicles, sparking interest and excitement.

In addition to these test drives, Mziyonke Driving School celebrated the top performers of the tournament with special prizes. The best young player, best goalkeeper, and leading player each received a full package from Mziyonke, including both a learner's license and a driver's license. Furthermore, certificates of achievement were specially designed and printed for these players, adding a personal touch to their accolades. This generous gesture underscored Mziyonke's commitment to supporting the growth and development of young talents.

### A Community-Centric Approach

Further showcasing their dedication to the community, Mziyonke Driving School offered free learner's licenses to the top five members of each of the 32 participating teams. This initiative resulted in 160 team members receiving free learner's licenses, providing them with a valuable opportunity to kickstart their driving education.

### A Grateful Acknowledgment

The success of the K2K Tournament would not have been possible without the hard work and dedication of Mziyonke's sales and marketing team, as well as the driving instructors who committed their time and expertise to the event. A special thanks goes to Sifiso Kheswa, the founder of Mziyonke Driving School, whose gracious sponsorship and generous heart made the entire event possible.

### Conclusion

Congratulations to all the teams and participants for making the K2K Tournament a resounding success. Mziyonke Driving School's involvement not only elevated the event but also reinforced their reputation as a driving school that truly cares about the community. The K2K Tournament has set a new standard for community engagement, and Mziyonke Driving School looks forward to continuing to support and inspire future events.
